

## award categories & definitions

### 1. video and film categories

#### best pop video

#### best r&b / soul video

#### best rock video

#### best dance / electronic video

#### best alternative video

#### best hip hop / grime / rap video

##### definition

these categories are open to any single track video completed and delivered to the commissioning company or client between 1 august 2021 and 31 july 2022.

entrants must pick a genre and then select a sub-category: **uk**, **international** or **newcomer**. an award is made for each sub-category of each genre.

- **uk** means a video for a uk artist (ie. a british passport holder or longterm uk resident)

- **international** means a video for a non-uk artist

- **newcomer** means a video for either a uk or international artist made for under GB£10,000 (or equivalent). this category is designed to recognise newcomer directing talent. a newcomer is defined as a director whose first commissioned music video was completed and delivered after 1 january 2019.

##### judging criteria

judges will be asked to assess the entries according to the following criteria:

- originality of concept

- technical expertise and execution

- effectiveness of the video in showcasing or promoting the music.

#### best performance in a video

##### definition

this category is open to any single track video featuring a central performance **by an artist, actor or ensemble**. to qualify, the video must have been completed and delivered to the commissioning company or client, between 1 august 2021 and 31 july 2022.

##### judging criteria

judges will be asked to assess the entries according to the following criteria (where applicable):

- creativity and inventiveness of the performance, in terms of delivery, interpretation of the role or, where relevant, the casting

- emotional impact of the performance

- contribution of the performance in promoting or showcasing the music and/or artist

### **best live video**

definition

this category is open to any live audio performance recording of a single track or up to 3 tracks in one session, completed and delivered to the commissioning company or client, between 1 august 2021 and 31 july 2022.

judging criteria

judges will be asked to assess the entries according to the following criteria:

- artistic merit
- technical expertise and execution
- effectiveness of the film in promoting or showcasing the music and/or artist

### **best special visual project**

definition

this category is open to any piece of work that could be considered a special visual project and includes multi-track videos, longform videos, extended play recordings and video albums, interactive works and other films which extend the boundaries of music video, and the visual representation and promotion of music generally.

to qualify the work must have been completed and delivered to the commissioning company or other client, between 1 august 2021 and 31 july 2022.

entrants are required to upload a copy of the project to our online platform, or to provide a non-password protected- entrants are also asked to supply some brief supplementary information.

judging criteria

our judges will be asked to assess the entries according to the following criteria:

- artistic merit
- technical expertise and execution
- effectiveness of the visual project in promoting or showcasing the artist, music or project for which it was created

## **2. technical and craft categories**

**best production design in a video**
